to several professional organizations (LSMS, LMA, and LAFP) and the Louisiana State Board of Nursing. Revised drafts (annotated/clean) incorporating certain suggestions were reviewed by the Board at its March 2014 meeting at which time the Board voted to approve the draft pending receipt of additional suggestions. Additional revisions to the draft were offered by the Board during the May and June 2014 meeting. Following consideration and discussion of the latest revised draft at its June 2014 meeting, the Board voted to provide *Notice of Intent* to adopt the rules. Said *Notice of Intent* appeared in the August 2014 edition of the *Louisiana Register*. A public hearing is scheduled for September 24, 2014 at 10:00 a.m.

**Rules/Amendments under Development:** The following rules are under consideration by the Board. **Midwifery:** Given changes to the Louisiana Midwifery Practice Act during the 2012 session of the Legislature, staff anticipates presenting revisions to its existing rules in due course for the Board's consideration and discussion. **Physicians and Surgeons – Unprofessional Conduct:** During its April 2013 meeting, the Board expressed a desire to consider the development of rules correlating a physician representing himself or herself as a specialist in a particular field of practice with appropriate formal training in that field. Pursuant to the Board's direction, a draft of such rules is being prepared for initial review and consideration. The draft also includes a prohibition against a physician prescribing of controlled substances to one's self or immediate family members in the absence of an emergency. A draft was submitted for the Board's review at its August and September 2013 meetings. At its October 2013 meeting, the Board determined to defer that part of the proposed rule dealing with self-prescribing and to provide *Notice of Intent* to adopt the amendments on unprofessional conduct in the *Louisiana Register*. Prior to publication, additional information is being sought. Staff presented additional information concerning self/immediate family-prescribing of controlled substances at its June 2014 meeting. Following review and discussion, the Board elected to provide *Notice of Intent* to adopt the rules in the *Louisiana Register*. It is anticipated that such *Notice of Intent* will appear in the October 2014 edition of the *Louisiana Register*. **Occupational Therapy:** The Occupational Therapy Advisory Committee has proposed a number of amendments to the Board's rules respecting occupational therapists. Following review by Board staff, and a number of revisions to conform the rules to the law, a revised draft was returned to the Committee Chair for review. Minor substantive suggestions for revision or modification have been received and incorporated into the draft. In sum the proposed amendments update the rules generally, insert additional language provided in the law, update definitions and practice standards, rearrange various provisions and delete others that are no longer needed. At the July 2014 meeting, a draft was presented for initial review and consideration. At its August 2014 meeting, the Board considered additional revisions suggested by staff, and, thereafter, elected to provide *Notice of Intent* to adopt the amendments. It is anticipated that said *Notice of Intent* will appear in the October 2014 edition of the *Louisiana Register*. **Physicians and Surgeons – Telemedicine:** Act 442 of the 2012 Legislative Session, which amended R.S. 37:1271 of the Medical Practice Act necessitates various changes to the Board's existing Telemedicine Rules. Preliminary suggestions were presented to the Board during its July 2014 meeting for consideration and discussion. A revised draft was presented for consideration and discussion at its August 2014 meeting, at which time the Board voted to provide *Notice of Intent* to adopt the amendments. A draft containing technical and one substantive change is presented for review and discussion. It is anticipated that said *Notice of Intent* will appear in the October 2014 edition of the *Louisiana Register*.
